Rain or Shine, Time To Be Heard!**

More Info On The Back >>>>

Date: Tuesday May 19, 2009
Time: 10:00 AM (but plan an hour earlier to get parked and to the State House)
Place: The Ohio State House
South Plaza (State Street Side)
Columbus, Ohio

Why:

To show our State Senators and State Representatives that the Ohio Horse Industry is important and we need their help. To convince them that the 16,000+ Ohioans that rely on the horse industry for a living are REAL PEOPLE! To show them and the public that we need expanded gaming or casino type games at the 7 Ohio race tracks to promote and preserve the horse industry in Ohio. To let everyone know that we are tired of surrounding states getting the Ohio gambling dollars and Ohioans getting NOTHING for it. Save 16,000 direct jobs, 42,000 indirect jobs and a \$2 billion industry by letting your voice be heard.

Why Now?

Our industry can be saved in THIS biannual budget that our legislators are voting on NEXT MONTH. Let them know that we, their constituents, need their help NOW!
